HISTORY

Nautilus Insurance Company (Nautilus Insurance) was incorporated in the State of Arizona in October 1985, as a subsidiary of W.R. Berkley Corporation (Berkley). Financial and operations control of the company remains under Berkley. The company has been eligible to write surplus lines business in New York at least since ELANY's inception in 1989. As of December 31, 2023, Nautilus Insurance is licensed in Arizona and operates on a non-admitted basis in all fifty (50) states and the District of Columbia.

REINSURANCE

Nautilus Insurance is a participant in an intercompany pooling agreement including twenty-two (22) affiliates, with Berkley Insurance Company (BIC) pool lead, retaining 100%. The company cedes 100% of its premiums to BIC but does not receive a share of the pool's combined results. As a result of the pooling agreement, no values are reported for net premiums written or earned, underwriting income, and the various combined ratio trends. As such, the financial strength of the company is heavily dependent upon the credit risk of Berkley, as well as investment risk of its own investment portfolio, managed in common by Berkley. For the years 2020 through 2023, respectively, Nautilus Insurance net reinsurance recoverable were shown as \$1.2bn, \$1.4bn, \$1.5bn and \$1.7bn, reflecting 661%, 739%, 806% and 891% of company surplus.

HOLDING COMPANY

Founded 1967, with headquarters in Greenwich, CT, by William R. Berkley, the W. R. Berkley Corporation is an insurance holding company that is among the largest commercial lines writers in the United States and operates worldwide in two segments of the property casualty business: Insurance and Reinsurance & Mono-line Excess. AM Best collectively rates thirty-two (32) insurance subsidiaries of the W.R. Berkley Group, including Nautilus Insurance Company. For the years 2020 through 2023, respectively, the group was rated by AM Best and S&P as 'A+/A+'.
